

# NLC BUSINESS SPONSORSHIP LETTER

## MDFBLA MEMBER CENTER

To <<Business Sponsorship>>:

Hello! My name is <<Name>>, and I am the <<Position>> for the <<Chapter>> Future Business Leaders of America (FBLA). <<Chapter>> FBLA is a co-curricular career and technology student organization that functions as a local chapter within Future Business Leaders of America-Phi Beta Lambda (FBLA-PBL), a national organization with over a quarter of a million student members. Our organization works to prepare students for their futures by providing them with the skills necessary to enter the professional world.

Each year, <<Chapter>> FBLA attends a state leadership conference where our members given the opportunity to:

- network with other students and various businesspeople
- listen to motivating public speakers
- attend informative and interactive workshops
- campaign for state office

In addition to the learning experience, students are given the chance to showcase their skills in various business-related areas by competing in one of over 60 different competitive events, ranging from Banking and Financial Systems to Job Interview. Performing well at the state conference allows our members to take it to the next level by attending the National Leadership Conference (NLC).

At the National Leadership Conference, our members are offered even more opportunities to learn, experience, and grow. However, a major setback that prevents our members from attending this remarkable conference is the costly price of nationals. In order to help defray our costs for attending the conference, we are attempting to do various types of fundraising. Any monetary sponsorship would help these students to achieve success and give them a rare and memorable opportunity. Not only is this sponsorship tax deductible because FBLA is a nonprofit organization, but if your support exceeds <<Amount of \$\$\$>>, your company logo will be displayed on <<website/t-shirt>> as a thank-you for all of our much appreciated sponsors.

Every business is a role model in the community, especially for students in FBLA. As a local business leader, you represent what our members aspire to become: a professional, efficient, and charitable leader making a positive impact on the community. For you, lending a helping hand to us will not only allow you to take part in and experience our FBLA community, but also help transform today's students into tomorrow's leaders. These students are indeed the future leaders of the business world, and helping them achieve their goals can only benefit businesses like yours in the near future.

If your company wishes to become a sponsor, please make all checks payable to <<School>> High School. We look forward to hearing from you!

Best Regards,

<<Name>>
